

Visitors at WeeniWorld cause Rage!!

On Sunday the 13th of February 2011 some visitors to WeeniWorld arrived and caused some stir. These group of people claimed to be called the Tiny Idols. Us Weenicons have always heard of our rival Tiny Idols and always dreaded the day they might come to check out there awesome opponents.

The Tiny Idols came on a hunt for our Golden Awards for best T-Shirts. On Monday the 14th James Bond over heard them discussing there plan to find our

awards and keep them for them selves. They where planning to steal the awards Tuesday night when all us Weenicons where asleep. So James Bond teamed up with David Hasselhoff, to plan out how to catch the Tiny Idols. They went down to the Peckham Traders and bought a cage and some rope. They hurried back to the WeeniHall to fix the cage underneath the awards. That night James Bond and David HasselHoff waited until the Tiny Idols showed up and at exactly 9:45pm they showed up. They glet go of the rope holding the cage and trapping Tiny Idols James Bond. Meanwhile the A Team had landed there helicopter and putting the Tiny Idols into the Helicopter with the help of the other Weenicons. Violence started to kick off and we all have the cuts and bruises to prove it. Once all the Tiny Idols where stuffed in the Helicopter Mr. T flew it to the WeeniHall where they attached the cage with Tiny Idols James Bond in it to the Helicopter. The A Team flew them all the way back to Tiny Town. And we all have a feeling they won't be coming back for a little while. Well done to all you Weeni-Heroes. Secret meeting that there was no option left but to let the A Team on them. So on the night of 16th of February while the Tiny Idols where sleeping in there camper vans the A Team.

The First Match Champ had a massive victory smashing his opponent straight to the floor breaking his nose.

Champs second match was tough, but Champ showed consistent punching and fought on even though he was thrown to the floor a few times. But Champ went for a absolute smasher and smashed the opponent straight in the stomach making him fly straight into the ticket office.

On Champs last match Champ was showing strong signs of weakness and the opponents smashed him straight in the eye giving him a killing black eye. But Champ fought back and ducked and dived and smashed the opponents chin smashing him straight through the sealing letting the heavy rain poor down on thee one and only winner CHAMP!!!
